Ray

Brenda,
You're really
a neat
girl, and
like you alot.
Best wishes
Always
Kathy Ann 73#

Dear Brenda,

I wish I had a telescope,
I'd scan those starry skies
But since I have no telescope,
I'm glad I've got two eyes.

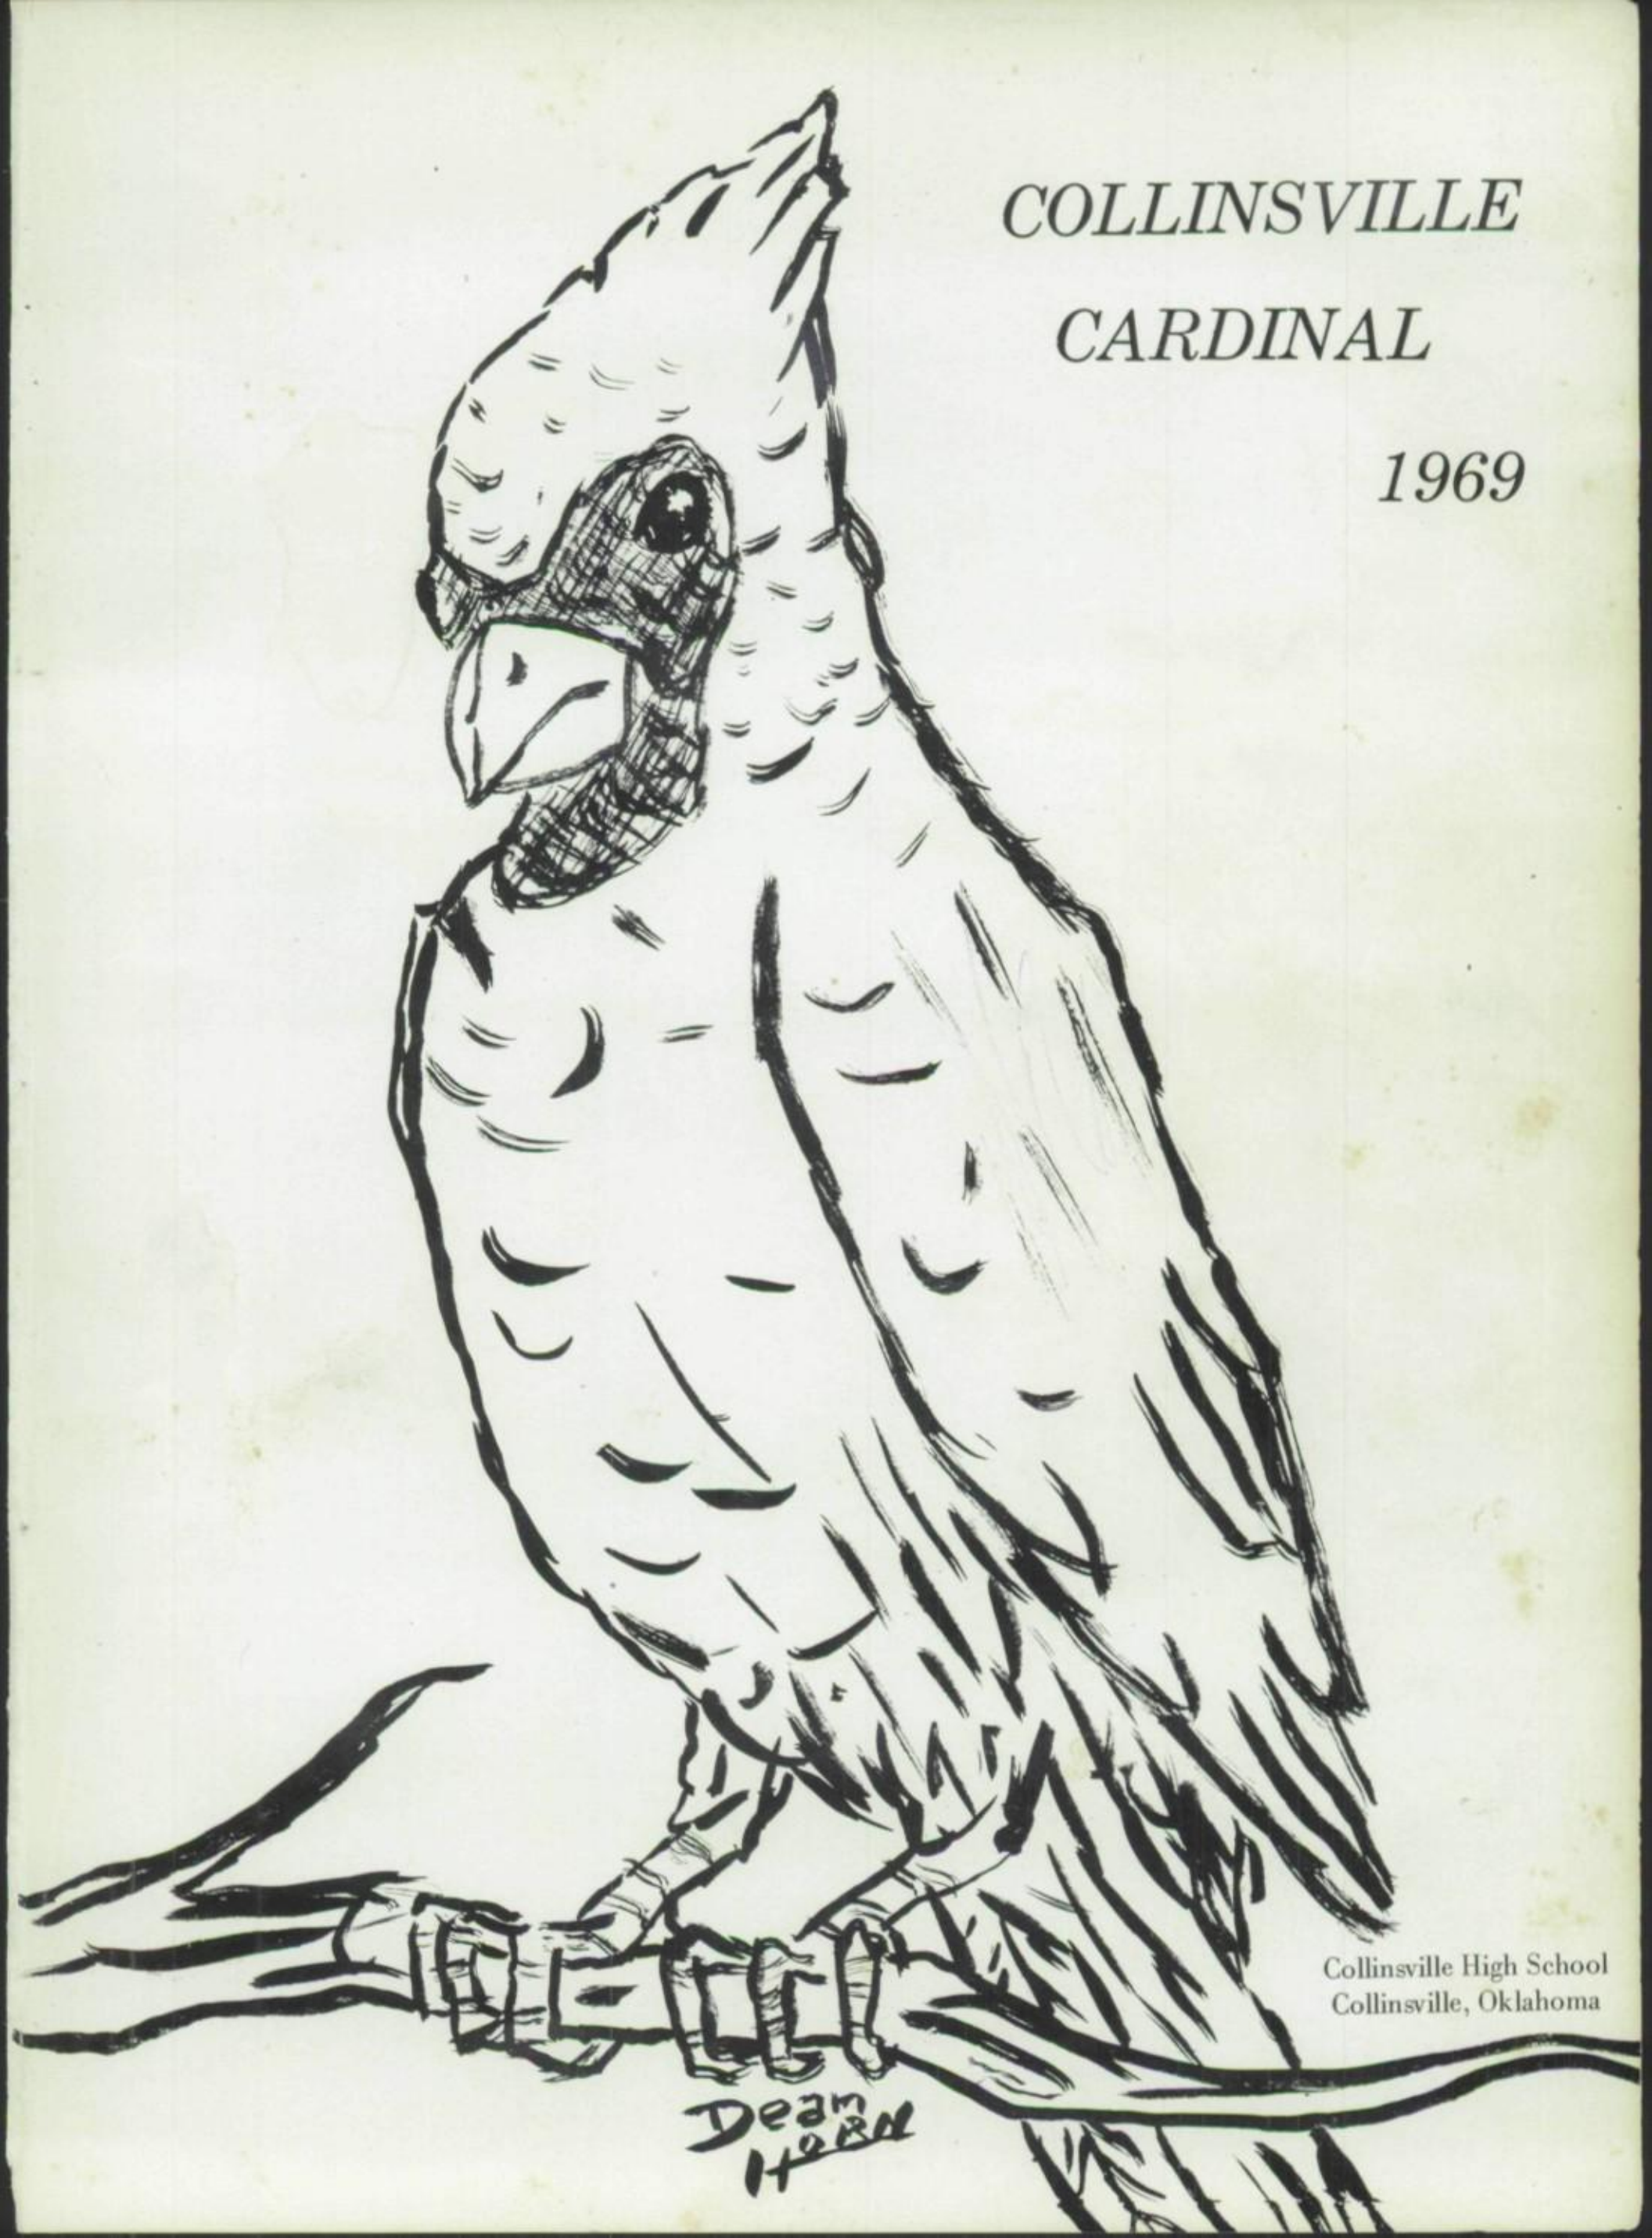
I wish I had a sports car,
I take my friends for a treat,
But until that sports car comes along,
I'm glad I've got two feet.

Two eyes to look to God above,
Two hands to clasp in prayer,
Two feet to carry me to church,
Why! I'm a millionaire
Dear

Mrs. Hulsey Language Arts
Teacher.

COLLINSVILLE CARDINAL

1969



Collinsville High School
Collinsville, Oklahoma

DEDICATION

"Trapped in the prison of the mind are memories of the past. Things tangible are often lost, only memories can last." Truer words than these were never spoken and the memories of the students in C.H.S. will lovingly turn to one who affectionately but sternly led and guided so many on to better and higher scholastic and moral endeavors. With this same love and affection this 1968 CARDINAL is dedicated to one who could honestly say, "I have fought the good fight, I have kept the faith."

She, Mrs. Robert L. (Bea) Daniel, has left trapped in many many minds pleasant memories of the past for a beloved teacher and friend.

SUPERINTENDENT'S MESSAGE

There is an old sage that states "The older a man gets the faster he could run when he was a boy." This causes many problems for the so-called younger generation because the oldsters are prone to use the wrong values to measure the youngsters—they use the wrong values to measure their own past.

As we stand on the horizon of time and look first at the road that we have traversed, known as the past, we see the ripples and the dunes where the elements and time have left their marks. This is the past.

Then we turn and look into that vast area, that we call space, which could be called the future because it is unmarked and endless so far as man can foresee. Regardless of the vastness and the lack of markings, man may be called upon again to carve from that unknown vastness a new nation or even new nations.

The unknown has always been a challenge to man, and be you certain there will always be an unknown. Just what part are you going to play in the unknown future? No one knows the answer to this, but you can have a great deal to do with the part you will play.

A wise man once said, "Ask and it shall be given you; seek, and ye shall find; knock, and it shall be opened unto you."

Congratulations to everyone who has had a part in the production of this 1969 Cardinal. Maybe our trails will cross again some day—who knows? May the good Lord bless you and keep you one and all.
